## OUR VISION

---

We are a faith-based organization with a passion to:

Provide a safe environment for survivors of Commercial Sexual Exploitation (CSE) and sex trafficking.

Free those in bondage, whether physically, spiritually, or emotionally, and advocate for a future in which they can thrive.

Spread awareness and education regarding sexual exploitation in order to help end sex trafficking and abuse.

## Leaders

---

We understand the unique role of lived experience. Treasured Lives honors this and works to raise up leaders within the survivor population.

## Freedom

---

With a clear but simple mission of helping and inspiring others, Treasured Lives provides an atmosphere of caring people united in the common goal of freeing those still trapped in a life of trauma.

## Advocacy

---

Our advocates are the best! They provide a professional, welcoming, and loving environment. Our advocates work tirelessly to aid and improve the lives of all who come seeking help.
